

HEALTHY AT SEA™

Celebrity Cruise Line's Healthy at Sea Protocols

Where local government regulations differ, we will comply with local requirements.

We will continually evaluate and update these requirements and protocols as new information becomes available.

Booked guests will be advised of the latest requirements leading up to departure.

Test & Screening

Prior to boarding, all guests are required to complete a health questionnaire and unvaccinated children will be required to take a complimentary test at the terminal. In some homeport countries, testing may be required for all guests regardless of vaccination status. An additional test will be administered onboard, free of charge, if required for homeport, or home country re-entry. For the latest Testing and Travel Requirements by homeport country, please visit Country Travel Requirements.

Vaccines

All guests 16 years and older must be fully vaccinated with all COVID-19 vaccine doses administered at least 14 days prior to sailing. **As of August 1, 2021, all guests age 12 and older must be fully vaccinated.** Crew onboard will be vaccinated.

100% Fresh, Filtered Air

HVAC system continuously supplies and filters 100% fresh, filtered air to all spaces. You can breathe easy knowing the robust system's layers of protection make the transmission of aerosol particles between spaces extremely low to virtually impossible.

While On Board

From bow to stern, we're taking extraordinary measures to keep you Healthy at Sea. We're sailing with fewer guests for more space—and more luxury. Our enhanced cleaning and sanitization protocols and enhanced medical center set a new industry standard.

While Ashore

Independent On-Your-Own tours are available unless locally restricted. While in port, guests must comply with local guidelines. Regardless of vaccination status, Celebrity's curated shore excursions are strongly encouraged. Our tours extend the highest health and safety standards we're following on board. Most experiences are outdoors, and guests will be encouraged to stay with their group. Buses will be at reduced capacity and will be sanitized frequently. Small Group Discoveries will be available, and for guests that prefer to tour with their family or group, Private Journeys will be available. We're working closely with local government to comply with their requirements.

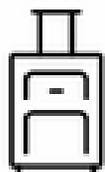

24/7 Medical Care

We've made our high-quality onboard medical care stronger than ever, with more doctors and nurses on each ship and state-of-the-art equipment enhancements. And in the event of a suspected case of COVID-19, we're fully prepared with medical evaluations, rapid testing, more critical care on each ship and a safe and prompt return home.

US Travel Requirements as of June 9, 2021

Travel requirements vary by homeport country. Be sure you're aware of both homeport country and Celebrity Cruises vaccine and testing requirements as they may differ. We will continually evaluate and update these requirements and protocols as new information becomes available. Booked guests will be advised of the latest requirements leading up to departure.

US Entry Requirements

All travelers entering the US must present a negative NAAT or Antigen test taken 3 days prior to their flight's departure. Be sure to save a copy on your phone and bring a printed copy. Name on test results must match those on government issued identification.

NOTICE: For U.S. cruises and guests: Prior to sailing, please consult all applicable U.S. Centers for Disease Control travel advisories, warnings, or recommendations relating to cruise travel, at www.cdc.gov/travel/notices. If a certain threshold level of covid-19 is detected onboard the ship during your voyage, the voyage will end immediately, the ship will return to the port of embarkation, and your subsequent travel, including your return home, may be restricted or delayed. For cruises and guests worldwide: Health and safety protocols, guest conduct rules, and regional travel restrictions vary by ship and destination, and are subject to change without notice. Due to evolving health protocols, imagery and messaging may not accurately reflect onboard and destination experiences, offerings, features, or itineraries. These may not be available during your voyage, may vary by ship and destination, and may be subject to change without notice.

*Last modified June 07, 2021. Subject to change. "Travelling Party" means your family members living with you in the same household and travelling companions assigned to your stateroom on the cruise. Conditioned upon compliance with the RCG COVID-19 Policies and Procedures in effect at the time of the cruise. Additional terms and conditions apply. See our COVID-19 Refund and Cancellations Policy and your Cruise Ticket Contract for details.
