

Celebrity Cruise Line's Healthy at Sea Protocols

Where local government regulations differ, we will comply with local requirements. We will continually evaluate and update these requirements and protocols as new information becomes available. Booked guests will be advised of the latest requirements leading up to departure.

Test & Screening

All vaccinated guests 12 years and older must present a negative Covid-19 test result taken as either a PCR or antigen test conducted within two days of embarkation and complete a health questionnaire prior to sailing. All unvaccinated children between the ages of two and eleven years old, will be required to bring a negative PCR test result conducted within three days of embarkation. Additional test will be administered onboard, free of charge if required for homeport, or home country re-entry. For the latest on Testing and Travel Requirements by homeport Country, please visit Country Travel Requirements.

Vaccines

All crew and guests who are eligible to be vaccinated must be fully vaccinated with all doses administered at least 14 days prior to sailing. View Vaccine FAQ's.

NOTICE: Proof of vaccination will be recorded and may be reviewed for signs of fraud. Unauthorized use of an official government agency seal such as the Centers for Disease Control and Prevention seal is a federal crime, and will be reported to the relevant government authorities.

100% Fresh, Filtered Air

HVAC system continuously supplies and filters 100% fresh, filtered air to all spaces. You can breathe easy knowing the robust system's layers of protection make the transmission of aerosol particles between spaces extremely low to virtually impossible.

While On Board

From bow to stern, we're taking extraordinary measures to keep you Healthy at Sea. We're sailing with fewer guests for more space—and more luxury. Our enhanced cleaning and sanitization protocols and enhanced medical center set a new industry standard.

While Ashore

On-Your-Own tours are available unless locally restricted. While in port, guests must comply with local guidelines. Excursions provided by Celebrity Cruises extend the same health and safety standards we're following on board. Most experiences are outdoors, and guests will be encouraged to stay with their group. Buses will be at reduced capacity and will be sanitized frequently. Small Group Discoveries will be available, and for guests that prefer to tour with their family or group, Private Journeys will be available. We're working closely with local government to comply with their requirements.

24/7 Medical Care

We've made our high-quality onboard medical care stronger than ever, with more doctors and nurses on each ship and state-of-the-art equipment enhancements. And in the event of a suspected case of COVID-19, we're fully prepared with medical evaluations, rapid testing, more critical care on each ship and a safe and prompt return home.

Safe Passage Home

We're with you every step of the way no matter where in the world you travel with us. If you test positive for COVID-19 onboard during your cruise, Celebrity Cruises will cover the cost of your onboard COVID-19 medical treatment, land-based isolation, and private air transfer home for you and your traveling party, if required*.

NOTICE: For U.S. cruises and guests: Prior to sailing, please consult all applicable U.S. Centers for Disease Control travel advisories, warnings, or recommendations relating to cruise travel, at www.cdc.gov/travel/notices. If a certain threshold level of covid-19 is detected onboard the ship during your voyage, the voyage will end immediately, the ship will return to the port of embarkation, and your subsequent travel, including your return home, may be restricted or delayed. For cruises and guests worldwide: Health and safety protocols, guest conduct rules, and regional travel restrictions vary by ship and destination, and are subject to change without notice. Due to evolving health protocols, imagery and messaging may not accurately reflect onboard and destination experiences, offerings, features, or itineraries. These may not be available during your voyage, may vary by ship and destination, and may be subject to change without notice.

*Last modified September 20, 2021. Subject to change. Celebrity will cover the costs of accommodations for isolation and private air transfer costs for guests who have fully complied with all Celebrity Cruises and Royal Caribbean Group COVID-19 Policies and Procedures in effect at the time of voyage. Additional terms and conditions may apply, see our COVID- 19 Refund and Cancellations Policy and your Cruise Ticket Contract for details. “Traveling Party” means (1) your family members living with you in the same household and (2) traveling companions assigned to your stateroom on the ship. Guests who test positive for COVID-19 on Celebrity Apex sailings from Athens will isolate locally prior to returning home. Our CareTeam will assist with accommodations for isolation, daily wellbeing check-ins, and support to reschedule return travel home.
